

ABDUL RAZZAK SHAIKH

Software Developer

PROFILE

To succeed in an environment of growth and excellence and earn a job which provides me job satisfaction and self-development and help me achieve personal as well as organizational goals. I want to do a job to earn some money and support my family. I want to work and increase my experience as well as my knowledge to achieve success in my life.

In my professional career I have worked as the above-mentioned professional developer. I have more than 3 and half years of professional experience. I have worked as a team lead and worked as senior developer.

HOBBIES

1. Learning programming language, databases and new technologies.
2. Reading personality development books.

EDUCATION

"DCSHNE" – Kutchi ITI

[2016]

I learned many new things in this organization. I also created a Software Application for this organization at the end of my academic career.

"Government Polytechnic Mumbai" - MSBTE

[2020]

This was the institute where I got strong command on computer hardware and networking.

"BSC in Information Technology" – University Of Mumbai

[2022]

This organization is the place where I completed my graduation in technological field.

WORK EXPERIENCE

"INDIAN NAVY" – Software Developer

[March, 2023]

I was appointed over there to develop new module and to improve the performance of the existing web application of "INDIAN NAVY".

"Writer Corporations" – Software Developer

[Oct, 2023]

Over here I got the chance to work on an important feature called as "1RFP1OPS". It was a major feature in writer history which changed the flow of the entire system.

SKILLS
